

AmazonSmile Signup Process

AmazonSmile allows you to support the WLA whenever you shop at Amazon (using AmazonSmile). It is free and the prices at Amazon Smile are the same as what you pay when shopping at Amazon.

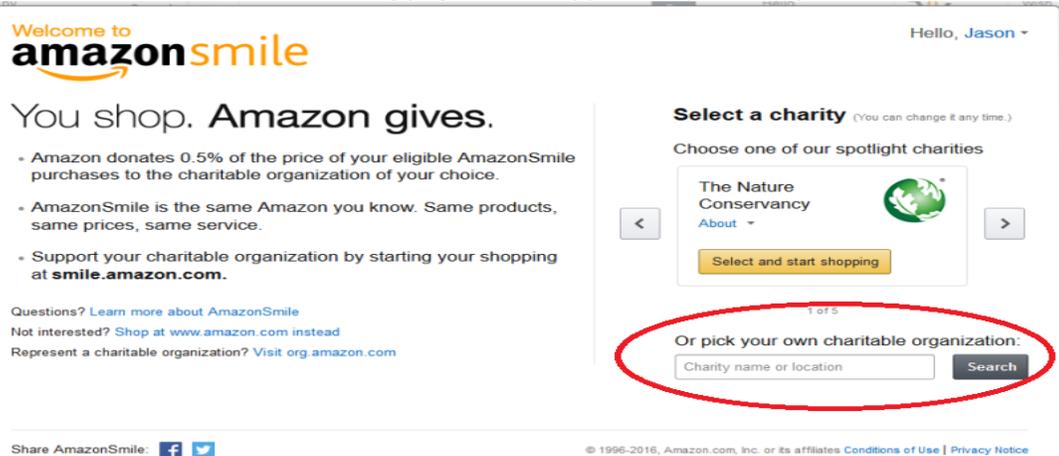

If you already have an Amazon account skip to Step 2.
To open a new account, start at Step 1.

Amazon Smile Sign-up Process

Step 1: Create an Amazon shopping account at <https://smile.amazon.com/>. You may do this by clicking the link “Create an account”, as shown below.

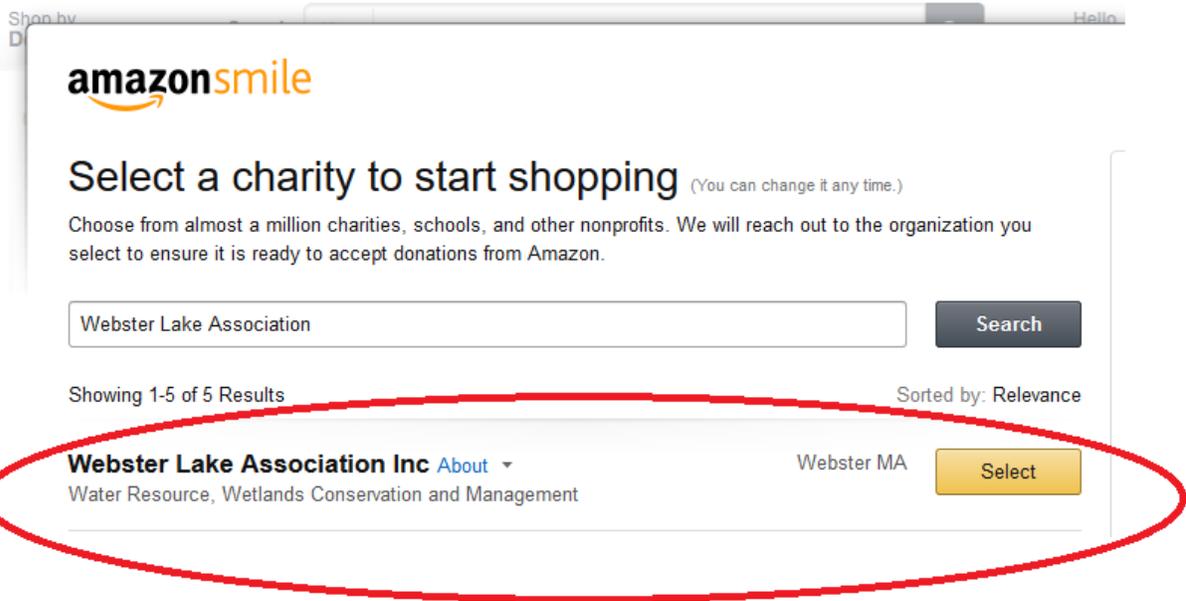

Step 2: Similar to step 1, and after you have logged into your Amazon account, go to the website <http://smile.amazon.com/>. The following page should appear on your computer screen.

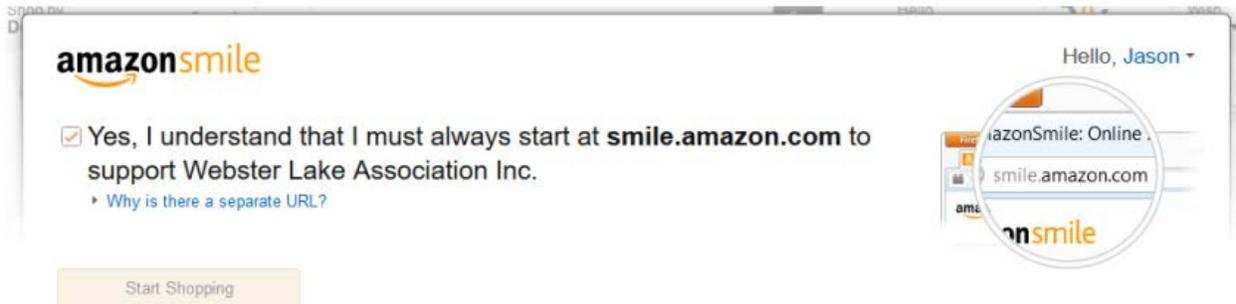

Select the search box under the option “Or pick your own charitable organization”, circled in red. Manually enter “Webster Lake Association”, and select the search button.

Step 3: The following page will then appear on your computer screen, containing all search results.

The WLA should be the first organization listed in the search result, and will resemble the information circled above in red. Please click the "select" button to select the WLA, and continue.

Step 4: The following item will then appear on your computer screen.

Please check the box that you understand that you must always start at smile.amazon.com to support the WLA with any of your AmazonSmile purchases. **If you do not start at this page, and alternatively start at amazon.com, the WLA will not receive any donations from your purchases.** It is, therefore, important to always start your shopping at smile.amazon.com.

Step 5: You will then be directed to your normal Amazon account home page, where you may begin shopping. There should be an indicator, as highlighted below in red, located in the upper left hand corner of the page that states that you are supporting the WLA.

Step 6: AmazonSmile will send a confirmation email to the email address that you have registered with your Amazon account. If you have any further questions about the program, please visit http://smile.amazon.com/gp/chpf/about/ref=smi_se_abtpo_r_about_smi, or contact the WLA at info@websterlakeassociation.org.

Lastly, thank you for your support in helping the Webster Lake Association protect, preserve, and promote Webster Lake!
