3. Announcements were given by Jason Piader

- a. The 13th annual Einstein is underway. Raffle tickets will be going out in the next few weeks.
- b. Golf Tournament was a success this year.
- c. The Pout Pond Project is complete. The WLA contributed \$5000.00 and \$13,000.00 was contributed by the Malser grant.
- d. WLA Website. The WLA website is being revised this winter by Chris Corrado.

4. Bald Eagles.

Gloria Ricker gave an update on the Bald Eagles. The offspring, Apollo and Gemini, were out of the nest in the first week of July. As of October 14th, they were still in the area. As of December, Martha and George are now empty nesters. They have been seen on Little Island. We have up to 4 immature eagles seen on the lake. One would be a year old, two about two years old and another about three years old.

5. Presentation by Jason Stolarski from the Massachusetts Fish and Wildlife

Jason Stolarski from the MA. Fish and Wildlife gave an informative presentation regarding the amount of dead fish in the lake this summer.

It is clear the WLA has a lot to do to keep the lake healthy. It is also clear from the questions we have to continue to communicate and educate the community what we are and what we do.

Many thanks to Ted Avlas for tapping the presentation. The presentation will be shown on the Webster Public Access.

6. Adjournment.
